NIMA SARIKHANI

Lucy Glyn · Tuesday, June 11th, 2024

An LSE graduate, Nima worked in the City of London as a trader for eight years. After deciding he was ready for a wider role, he joined the family office and subsequently set-up Hambleden Capital Partners, a London-based investment firm specialising in backing entrepreneurs who are dedicated to creating meaningful and prosperous businesses. Hambleden Capital was born from the strong family heritage and thriving businesses of the Sarikhani family. The company take pride in supporting people and management teams just as much as the great ideas they bring, tying in with the Sarikhani family's values of integrity and respect.

In addition to working closely with entrepreneurs, Nima enjoys taking time to travel the world and photograph the richness of the wildlife it contains. At home he loves spending time with his boys.
