JOHN GROGAN

Alex Berry · Monday, March 18th, 2024

John has spent most of his career working in financial services at Banks, Hedge funds and boutique advisory firms, as well as working with some FinTechs.

Amongst others, he has worked with BNP Paribas, Credit Suisse, HSBC, Rockport Capital, North Sea Capital and Evolution Securities. His skill set spans Equity, Fixed Income and Structured Credit, where he has built systematic, quant trading platforms utilising machine learning, various structured credit platforms such as SIVs and Conduits, structured synthetic and cashflow CDOs, through to joint-lead on some of the largest retail bond issues in the UK.

John holds a degree in Computer Science and Maths from Trinity College Dublin, an MSc in Artificial Intelligence from the University of Manchester and an MBA from London Business School.
